

Why contact Connecting Families to Communities?

Be the **positive change** in your family.

Together we can....

- Gain control of your finances
- Set a clear path toward your career goals
- Adopt health and wellness as a way of life
- Plan for the future of your family
- Help your children excel in school
- Strengthen the bonds within your family
- Find opportunities to serve in your community
- Identify effective parenting strategies

Connecting Families to Communities **empowers** families to **achieve their dreams** and be **successful in all areas of life**. Through free, personal, and confidential sessions with a trained family advocate, families develop action plans to **accomplish their goals** and receive all the tools, resources, and opportunities necessary to accomplish their plan.

CF2C offers **educational seminars** and small groups in a variety of areas that are critical to the well-being of the family. CF2C also provides **family fun, community and volunteer events**, which **reinforce the relationship bonds within families**.

We believe that stronger families equal stronger communities.
