EXPERIENTIAL ARTS LAB

Grades K - 3

Mondays 4 pm - 5 pm

January 23 - March 20 (No Class February 20)

\$100 for 8 classes

Join us for 8 weeks of transformative arts and learning! Students immerse themselves in a creative community, exploring various forms of artistic enrichment including dance and movement, music and sound, and visual arts. Arts Lab kids develop their artistic skills, learn to express themselves, and have fun!

ROLE PLAYING GAMES: INVENT A WORLD

Grades 4-8

Mondays 4 pm - 5 pm

January 23 - March 20 (No Class February 20)

\$100 for 8 classes

Join us for 8 weeks of developing and playing in fantasy worlds of our own design! Students will use the guidelines of tabletop role playing games to create characters, build worlds, and tell collaborative stories. Learn key writing and teamwork skills, and have a ton of fun!

TRIPLE THREAT

Grades 4-8

Thursdays 4:00pm - 5:30pm

January 25 - March 15

\$120 for 8 classes

Watch out Broadway, here comes Appel Farm! Students will learn the fundamentals of musical theater performance, developing their skills in acting, dance, and vocal performance. Get ready to light up the stage in a culminating showcase on the last day of class!

FUNCTIONAL CERAMICS

Grades 4-8

Wednesdays 4 pm - 5:30 pm

January 25 - March 15

\$160 for 8 classes

Young artists of all levels are invited to create with their hands, as they learn to make functional ceramic pieces, such as bowls, cups, and more! Participants will learn the basics of hand-building, wheel throwing, or use a combination of techniques. Designed for all skill levels, this class is a great introduction to fundamentals of ceramics.

SCULPTURAL CERAMICS

Grades 4-8

Thursdays 4 pm - 5:30 pm

January 26 - March 16

\$160 for 8 classes

Explore the virtually limitless world of ceramic sculpture! Students will learn techniques used by humans to make art for thousands of years, and will create fantastical sculptures and decorative pieces as unique as they are.

ROCK BAND

Grades 4-8

Wednesdays 4 pm - 5:30 pm

January 26 - March 16

\$120 for 8 classes

Get ready to rock! Recommended for students with at least one year experience on their chosen instrument, this class will give students the opportunity to learn the fundamentals of playing in a rock band, develop skills, and explore their favorite music. All instruments are welcome.

ECO-ART

Grades 4-8

Tuesdays 4 pm - 5 pm

January 24 - March 21

\$100 for 8 classes

Make art with, and inspired by, the natural world around us! Participants will dive into art-making techniques with natural materials, practice botanical illustration, and work together on improvements to our organic garden. Using the abundant plant life that grows across our campus, and your young artist's inspiration, we will explore and grow our relationships to nature. (This is an indoor/outdoor class-- please come prepared to spend time outdoors in all weather!)

Arts Lab in the Community

TOGETHER TIME

Ages 12 months - Kindergarten
and their adult caregivers

Fridays 11 am - 12 pm

January 23 - March 17

\$64 for 8 classes

Location:

PTAH Center

232 South Broad St.

Woodbury, NJ

Children and their caregivers are invited to play, explore, discover, and create together! Our journey each week begins with a shared picture book to spark excitement and engagement around a new theme. Participants discover hands-on ways to learn, create, and have fun through music, movement, sensory, and art activities. Play clothes recommended for kids and adults!
